Subject	1 st 2010-2011 Meeting with Director		
Attendees	Robert Hernandez- Executive Committee President Linda Martinez- Executive Committee VicePresident Denise Soriano- Executive Committee Treasurer Jarisett Jimenez- Executive Committee Secretary Dayairis Mejia- Potential Cheerleader Squad Captain Alba Salterio – School Director Olga Leon – Student Council Advisor		

Key Points Discussed		
No	Topic	Highlights
1	Funding for Activities	⇒ Director reported that approval for new activities takes a year and that currently there is no money for more activities. She informed that basket ball court was approved, but not able to bring in. Announce new basketball court and balls (different material) will be available in January.
2	Cheerleader Squad	⇒ SC reps inquired about cheerleading squad. Director informed student that she has to keep funds towards volleyball and basketball teams and currently cannot use funds for cheerleading. Supervision of squad was presented as another challenge. Student reps asked if they could do fundraising for cheerleaders, director responded that she has not problem with that, but put it on hold until she verifies availability of funds.
3	Parent Involvement	⇒ Director spoke to students about need to have additional parental involvement (parents that can go with students to tournaments for additional support/supervision).
4	Spirit Week	⇒ SC reps inquired about Spirit Week taking place this year. Director responded that this activity does not require extra funds and can be done upon verifying education hours because students cannot have less hours of class. SC needs to verify with H.S. principal for hours available or organize exclusively during lunch. Also talk to teacher Ynoa to see if he approves Spirit Week activities during lunch once a month.
5	Community Service	⇒ Toy Drive Approved, new toys collected will be given to Escuela Francisco Xavier Billini were 12 th graders do community service. ⇒ Beach Clean Up Activity approved as long as limited to student council and students don't go in water. ⇒ Reforestation Director suggested planting trees, but with follow up because that was a limitation in the past. ⇒ Keep in mind that transportation costs need to be paid by students if we cannot use school bus.
6	Cafeteria Issues	⇒ SC reps reported odor outside cafeteria (in patio). Director will follow up with maintenance personnel.
